Josef Trattner’s seventh journey takes him to the Republic of Moldova, his mobile foam sofa in tow. From Bălţi to Chișinău and Tiraspol authors and musicians sat down to experience their city in a new light. Trattner and his Moldovan companions followed the sofa, in which they saw a metaphor of their existence, for a short part of its journey.

Tiraspol with Andrei Pawlenko & Constantin Abramov • Chişinău with Moni Stănilă & Alexandru Vakulovski & Anatol Stefanet • Bălţi with Maria Şleahtiţchi & Constantin Sandu
